POWX139

FILE/BELT SANDER 400W | 13mm

The Powerplus POWX139 is a powerful sander with a narrow grinding arm, ideal for perfect precision sanding. Hard to reach places, like a door lock plate for example, pose no problem for the sander and the arm can be set at different angles. Furthermore it has a long 3m cable. Delivered with a dust bag to collect the sanding dust. Good for a longer service life of the sanding paper, better visibility on the sanding surface and a cleaner working environment. For your comfort this sander comes with a soft grip handle and lock on button for continuous use and easy operation tension spanner for the belt. Suitable for sanding wood, tiles, ceramic, metal surfaces or plastics. Ten sanding belts are included.
